## OUR SERVICES

The Edwards companies have operated in the mid-Atlantic region for the past 19 years, providing high quality industrial, general and mechanical contracting, fabrication, heavy rigging and crane rental services to the pharmaceutical, chemical, pulp, paper, food, manufacturing, and textile industries. Our attention to quality, service, reliability, cost and safety has resulted in a large percentage of repeat business.

During the past 19 years The Edwards companies have proven that by maintaining a highly experienced professional staff and by utilizing "leading edge" technology and modern construction techniques that we can provide the resources and personnel necessary to meet the requirements of any project.

We provide personnel with extensive experience in rigging, millwright services, equipment relocation, transportation and installation, renovations, retrofits of existing facilities and heavy concrete construction. We can provide personnel and equipment for those "Fast-track" shutdowns and outages where every second counts and finishing on schedule is a

343

must. We offer specialized expertise in stainless and carbon process piping, orbital welding, borescoping, clean room environments, HVAC systems, electrical, instrumentation & controls, and programming services.

In addition to our broad spectrum field operations, Edwards, Inc. operates a 80,000 sq. ft. full service fabrication, machining, and finishing facility offering complete capabilities in stainless, carbon, and alloy steel fabrication. Edwards, Inc. offers full ASME vessel services and holds the "A", "U", "S", "PP", and National Board "R" stamp for pressure vessel and boiler work. We utilize 2D & 3D CAD/CAM technology for all our fabrication drawings and is fully capable of convenient electronic drawing exchange.

Edwards Crane, Inc. maintains a large rental fleet of mobile cranes with capacities to 500 tons and boom lengths to 450 ft. available 24 hours and fully equipped rigging crews assure on-time projects performed safely.
